Without doubt that is the most deplorable, despicable and horrendous leadership status any nation could achieve. It's simple mathematics to determine: the Indo-Chinese wars based on the pretext of the Gulf of Tonkin incident/false flag (now proven) and extended illegal bombings of Laos, and Cambodia, and wherever else the USA decided to indiscriminately "carpet bomb," thank you Mr Kissinger for your inhuman carpet bombing strategy. The total recorded civilian casualties of America's unnecessary Indo-Chinese wars, FOUR MILLION CIVILIANS, a third of which were CHILDREN.

Add to that the illegal, based on nonexistent WMD, also proven, Iraq invasion/bombings which accounted for ONE MILLION innocent Iraqi civilians murdered, a third of which were CHILDREN. Add to that the travesty of the continuing US war in Afghanistan and the Pashtun areas of Pakistan, and though figures have been suppressed a conservative estimate would approximate 750,000 innocent civilians slaughtered. Then of course the US led bombings of Libya and Syria which included trained and paid Jihadi proxy fighters drawn from the ranks of known listed terrorist groups, an appalling irony, as these groups were the excuse the USA utilised to launch all of its clearly murderous resource-stealing, illegal wars and we would conservatively estimate another 700,000 innocent civilians killed, a third of which were CHILDREN -- now NOTE we base child mortality figures, on a two parent one child family in the full knowledge that this formula underestimates the size of Asian, North African and Middle Eastern families. This extremely conservative assessment therefore would total in millions of God's innocent CHILDREN slaughtered and for WHAT? Corporate-Banker profits, indeed, the FILTHY LUCRE.

Now as we all know America PRETENDS to be a Christian nation, so to emphasise what the Christian gospels say about temporal wealth, power and money, we refer to the temptation of Christ during which SATAN himself tempted Christ with ALL the power and wealth of the world if he would abandon morality, integrity, purity/God, and worship the ruler of the darkest side.

The result is that the Christian SAVIOUR emphatically rejected these temptations/lures, which America pursues today with manic, SATANIC abandon, which CLEARLY INDICATES who in fact RULES America and the REAL values to which it adheres/subscribes.

From a Christian perspective it is irrefutable. So live with it ALL hypocritical Americans as your mass murdering CRIMINAL governments are merely a reflection of yourselves, which means that ALL Americans have the blood of millions of innocent CHILDREN on THEIR hands, evil HYPOCRITES! And we all should know what Jesus thought of hypocrites.

Next we have Christ admonishing adults that attempted to prohibit children that wished to closely enter his presence, and what did Christ say? To paraphrase, do not restrain them as the kingdom of heaven is arrayed like these CHILDREN, woe, woe, woe, to Satanic America for its innumerable child killing crimes against humanity, temporal Law, AND its GOD, notwithstanding Christ's very clear statement, "But if anyone causes one of these little ones who believe in Me to stumble, it would be better for him to have a large millstone hung around his neck and to be drowned in the depths of the sea." So yes, hypocritical mass murdering America, BE DAMNED to HELL, the destination you have consciously embraced. And to think that today's vice president, Mike Pence pretends to be a Christian, laughable!

Nevertheless, if one does not subscribe to religious views to which America PRETENDS, the criminality and horrendous crimes of America cannot and will not be ignored as "collateral damage", the world's most deplorable and disgusting euphemism damns it further as it's a LIE/excuse to disguise MURDER. Therefore stand accused by your overt criminal and inhuman actions, America/'Babylon'.

One innocent child killed for false and clearly perverse values is ONE CHILD TOO MANY! So what is the moral, ethical or religious reward for these horrendous criminal actions, YOU tell me?
