

## Enduring

carried again by ur voice  
beyond this world  
i could hardly be grounded in ur presence

it is impossible to accept that u are  
of this world  
everything about you is other  
and ur effect on mere mortals  
is beyond description

i dare not describe ur eyes  
face, lips and body as i fear  
i would dissolve in what i see  
as the most perfect example of  
something that should not have taken human form,  
perfection is reserved for gods and goddesses

i am drunk looking at u,  
kissing ur lips is as making love  
to lesser women -- how unfortunate for them  
i found you

is it perfect compatibility or just  
complete perfection? i care less whether this  
reaction is projection, objection or a mixture  
of both, as why question and perhaps ruin  
what we share?  
emotion is stronger than intellect  
of that be sure my ineffable, exquisite  
other

haul me back into ur embrace please  
i am lost without you

the sight of u launches me into ecstasy,  
ur embrace reverberates the core  
of my being, waterfalls plunge without  
care for u alone,  
the sea moves and laps at ur feet  
while storms rage elsewhere

no mortal moves like dancing light

or speaks with a voice that softly resonates  
to the edge of infinity

i would say i love you if it were adequate,  
but it fails to deliver how i feel,  
u have impoverished the word Love  
with ur perfect presence

and to think i sat looking at a blank screen  
before u walked into the room

stay with me ... and continue
