

The SOLUTION -- We are ONE!

by darcy *Wednesday, Mar 20 2019, 10:37pm*

international / prose / post

The elite propaganda apparatus has FAILED, the feeble attempts of the nefarious global elite to divide -- tribalism, racism, class etc -- and conquer, designed economic debt slavery -- is failing as I write; with minimal effort anyone who desires to know the truth is able to source it today by peeling back the feeble methods and machinations of the elite to maintain their monetary rule over the global masses, today they are TRANSPARENT. It is over for them, they are indeed a dead man falling.

The Syrian, Afghan, Iraq and all Middle East wars have FAILED; the attempted coup in Venezuela has FAILED, the US groomed puppet fake 'president' is despised by almost all Venezuelans, the corruption game was exposed almost the instant it began; another filthy attempt by elite commercial/corporate interests, which own the USA, to ILLEGALLY overthrow a legitimate, democratically elected leader has FAILED and any further attempts to appropriate by mass media deception and crime, valuable resources, have FAILED -- the attempted THEFT of resources of an independent, sovereign nation has FAILED and how very sweet that is for the PEOPLE of the WORLD, and soon the elite designed gossamer debt-slavery-chains would break, as in REALITY they have no real substance.

Minority rule is in its death throes, and it's social AWARENESS that has foiled the plans of nefarious elites, as former elite servant Ziggy Brzezinski stated shortly before he expired, he saw the consequences of a world wide information network, and regardless of the attempts today by elites to choke and censor that apparatus, knowledge and information flow through; their attempts to control cultural narratives and information are failing as I write, are you reading this Rupert and ilk?

Large IT companies in the service of these elites have failed to stem the flow of TRUTH though they have made it more difficult to source but TRUTH as always, is available if one takes the minor trouble to source it.

The mass media is now considered to be what it is, a pure, selective, propaganda apparatus saturated with LIES, which have resulted in distrust by the PEOPLE of the WORLD. Its 'news' is arse-wipe and anyone able to think is aware of that reality.

ALL major mainstream political parties are KNOWN to serve elite interests not the PEOPLE and so the rise of real representative INDEPENDENTS in politics throughout the western world -- the people have had enough of lying, duplicitous, BOUGHT, career politicians!

HERE COMES THE SUN and with it the daylight of knowledge, awareness, TRUTH and FREEDOM and there's nothing mass murdering criminal elites can do about it as they have already tried everything they know to maintain the OLD status quo of UNREPRESENTATIVE minority rule.

All their efforts have failed, they never learn! And so it will be, REAL FREEDOM based on Truth and the knowledge that all the people of the WORLD are ONE -- which fact eliminates every conceivable attempt today, and in the future, to enslave and DIVIDE us by ideological, racial, economic, and other means -- WE, the masses of the WORLD are ONE; and our imposed slavery and suffering is at

an END. Either run with the PEOPLE or continue serving untenable and un-viable elites by adhering to their fictional and false belief systems at your own great risk, it is over.

Here comes the SUN and with it the blazing TRUTH that WE are ONE, and who or what could stop us?
