That's it according to Washington's inner circle. God is on OUR side.

Really! Well regardless of myth or non-existence, as God has never been proven to exist BUT let's take it from all the Abrahamic religions. God is all-powerful, all-knowing and omni-present though not one theologian has EVER been able to prove God. Now, you'd think that something that is omni-present, everywhere at once, should be easy to prove, so how do we account for thousands of years of failure to prove God? Omni-presence is a bold statement that 'God' saturates existence but he/she appears to be hiding -- lol. But let's remove ourselves from fantasy, delusion and BLIND belief.

Okay, the God obviously playing hide and seek, is supposedly JUST and FAIR according to ALL man-made religious texts, so on that basis, how could he/she be on the side of racists, thieves and MASS MURDERERS, as he/she loathes those behaviours according to the texts? This is simple 2+2 verifiable logic for any religious clown to answer or entertain. The USA has held the dubious dishonour of being the LEADING CIVILIAN killing nation on the planet and continues to murder innocents around the globe, but he's on our side, remember -- lol. You see, morons, it is easy to prove you're all deluded as you can't even read God's dictates and follow them -- or perhaps you would care to show me what I may have missed studying ALL the world's major religions; where does it say that killing INNOCENT men, women and CHILDREN is acceptable to God? Though the USA with its partner Israel, continue their overtly racist policies and the murder INNOCENTS for gain and PROFIT, a very 'noble' cause?

So let's read a little more of the text. In the Gospel of Luke, temptation of Christ; Satan the adversary, clearly states that he owns all the money and political power of the world, as it has been "given unto him" -- well, religionists, what about that! Indeed, your God is none other than the devil himself, simple to verify from your own texts.

So when some political clown even mentions the word God, RAISE the ISSUE of MASS MURDER for theft and PROFIT, you blind, deluded, incredibly dumb, FOOLS!

You are being LED by the horned, cloven-foot 'God' and his servants in the capitals and financial institutions of the world, run by whom, mostly JEWS of course? Give thinking people a break, you doodle dreamboats!

The future augurs very unwell for you all, if you believe in any religion or 'God' that condones the MURDER of INNOCENTS.

So I wish you the best of luck, you'll need it, as you have nothing else going for you! Peace, and who should I ask is the 'prince of Peace,' you abominable Christian HYPOCRITES, notwithstanding the rest of you deluded Abrahamic fanatics that cannot see the nose on your profoundly STUPID faces?

Pompeo: 'Possible' God Sent Trump to Be Savior of Israel

by Jason Ditz

In an unusually frank look at the theology underpinning US policy in the Middle East, Secretary of State Mike Pompeo, during his visit to Israel said he believes that it is "possible" that God sent President Trump to Earth as a "[savior](#)" to protect Israel from Iran, adding "[I am confident that the Lord is at work here.](#)"

[This is not the first time the Trump Administration has tried to pin a divine endorsement on Trump, with Press Secretary Sarah Sanders previously saying that God is the one who wanted Trump to be president in the first place.](#)

[Pompeo tried to compare Trump favorably with the biblical Queen Esther, a Persian imperial queen who convinces her husband to rescue the Jews from Haman. This comes amid Israel's Purim holiday, commemorating exactly this religious event.](#)

[In further talks with Israeli President Reuven Rivlin, Pompeo added that he believes the US has a "moral obligation" to ensure the security of Israel, and that the US acts "on a daily basis" on Israel's behalf.](#)

[This suggests that the Trump Administration believes supporting Israel is effectively a religious duty, and furthermore that Trump has been appointed personally by God to enact his will, which is in some way hostile toward Iran. Fortunately, this appears to have been the exact policy Trump was inclined toward in the first place.](#)
