Here is total [proof](#) that it was the utterly corrupt Joe Biden, a criminal that the crazed Democrats want to elect as President of the United States, who threatened the President of Ukraine, Poroshenko over an active investigation into his son's (Hunter Biden) 'business' dealings in the Ukraine. After forced compliance Biden then released one billion dollars to Poroshenko.

It should alarm every American that the mass media buries the real story and shrilly proclaims a false narrative to protect the GUILTY. Our nation is being stolen in front of our very eyes and it won't stop with this scandal as it's par for the course in Washington and every other major political capital in the WORLD. All western so-called 'democracies' are rotten to the core.

Tell me when you've had ENOUGH, people! Or continue to eat shit and be DECEIVED if you FAIL to ACT in your and YOUR respective nation's best interest.
