“Did you ever see a lassie
A lassie, a lassie
Did you ever see a lassie
Go this way and that?
Go this way and that way
Go this way and that way
Did you ever see a lassie
Go this way and that?”

Look around and what do You see?

herds of slaves go this way and that way ..

the chinese military march in gymnastic precision
are you impressed? north korean people trained like chinese slaves
move their coloured cardboards presenting various patterns,
are you impressed?

western slaves now find russians under their beds, Joe McCarthy redux
"Russians are Grooming Tulsi; Jill Stein is Totally a Russian Asset",
so says Hillary Clinton

Did you ever see a lassie
Go this way and that?

these are children's games, yet they capture populations today - mindless morons
led by media go this way and that way did you ever see such a thing?

people so easily managed would never know truth, freedom or liberty,
they are too busy going this way and that, dancing to scripted tunes

so why should we bother trying to free slaves, answer that you trained, nose-ringed morons?

Did you ever see a lassie
Go this way and that?

the world today is a multi-ringed circus of performing mindless morons dancing like trained dogs to
their graves

Did you ever see a lassie
A lassie, a lassie

Did you ever see a lassie
Go this way and that?

good fuckin' luck -- and watch out for those Russians under the bed.
